MORE

Our Buffalo Queso chips are made with whole ground yellow corn and seasoned to perfection with hot and savory buffalo spices blended with organic cheddar cheese. We're obsessed with the amazingly delicious flavors served up at our favorite taco trucks, so we had them in mind as we created our Clásico Tortilla Chips. Made with organic, non-GMO whole ground corn, each flavor was inspired by the sauces and peppers that are offered on the side with every order. We hope you find our Clásicos as fantastico as we do! Late July is the sweet spot of summer. It's a moment in time when life is simple, pure & good. It's also our name and philosophy on snack-making. We care deeply about using organic and non-GMO ingredients and no artificial preservatives.
