

Still **V8 +Energy[®]**

The V is for Vegetables.[®]

And V8 +Energy[®] is for steady energy with no regrets.

V8 +Energy[®] provides steady energy from natural green tea extract and contains one combined serving of fruits and vegetables in every can.

Help guests power through the day with this flavorful alternative to coffee, tea and other energy drinks.

Benefits

- Lower calories and sugar than competing energy drinks and sodas
- 80mg caffeine per container
- No artificial colors or flavors
- 60 calories or less per can
- Available in still and sparkling varieties
- Excellent source of vitamins B and C
